

Dear Friends,

April 2026

It's hard to believe we are already into April 2026. Since I started Regions Beyond You, the Lord has opened doors and many family and friends are praying and supporting the ministry through financial gifts and giving bottles for cash collection, to aid in additional funds which are then used to help as needs arise.

I have established a website [www.rbum.net](http://www.rbum.net) and NBCM (*Northern Bohol Christian Ministries*) and created a page on Facebook.

Between weekly preaching, Bible studies, FBI Kids Club and other church ministries at Great Hope, as well as my secular job which sees me travelling more lately, life has been very busy. Great Hope Baptist Church has had a blessed and exciting year with people saved, several baptisms, people joining our local church and plenty of new visitors.

#### **January:**

In January, Robyn (Kylie's mother), Kylie and I headed over to Bohol, Philippines for twenty days to visit the IGM ministry and Maranatha Christian School. As always, it was a fruitful time cementing friendships, sharing the Gospel and a welcome opportunity to meet new people. Our time spent in the Christian school at chapel, helping in the junior classes with school work and craft activities, and experiencing the school's first one day Bible Mission Camp, targeting learning about Unreached People Groups was very rewarding. I was also able to teach at Bible College, IGM youth meetings, and preach at three island churches. There was also an opportunity to be involved in Men's fellowship at Guindacpan Island and share the gospel at the local basketball court after a friendly game between the pastors.

One of the highlights was to be involved in the baptism of 17 young people! What an amazing encouragement and blessing to see these young people completing the discipleship classes and being obedient in the Word and submitting to baptism and joining the local church. Praise God.

#### **March:**

March 16<sup>th</sup> marked my 10<sup>th</sup> anniversary as Pastor at Great Hope. It was a blessing to be recognised at church where they presented me with a beautiful pen and yummy cake. I praise the Lord that he has given me the ability to serve Him in ministry, whilst still working a part time secular job.

Thank you to everyone for your prayers and support of the ministry of Great Hope as we strive to fulfil **2 Corinthians 10:16, "preach the gospel in the regions beyond"**.
